OFF MY CHEST

Editor's Notes

Welcome boob-lovers to another tit-packed issue of the leader in mammary magazines. Where Gent goes, others follow! We just got back from Nudes-A-Poppin' at the Ponderosa Sun Club in Indiana. It was hot. It was sweaty. It was dozens of naked chicks. It was all good! I have been reading about this place for as long as I have been reading porn mags. I just never got around to going. After this experience, I won't be missing it again. Rhiannon is featuring all the sexy details in an extended Breast Of Times. We held a Gent Covergirl Contest to pick this issues Covergirl. Although it was a tight race, Ashlee possessed the qualities that we were looking for... big natural tits! I think you'll be happy with our decision! In this issue, we are also featuring other participants from the contest. Each one is smokin' in their own right, unfortunately, there could only be one winner. Elektra and Jaded were both contestants. Either of them could have been featured in a great solo set, but it's just so much hotter to see them together, licking each other's hot pussies and bulging boobies! You gotta love the body on Staci Lyxxx. She just bubbled over with enthusiasm... and that's always a good thing for a hot, naked stripper! Krissy Minxxx has the perfect "slim and stacked" thing going on, big time. Although she was not in the contest, we did get the opportunity to shoot her on the grounds of Ponderosa and definitely plan on shooting her again in a more XXX sort of way. Nikki Jackson. What can I say about Nikki? She is fucking crazy! If you're having a party, a wedding, a Bar Mitzvah or just going out for drinks... you need to have Nikki there. Not only is she hot as Hell, Nikki doesn't come to a party, she is the fucking party! I had been trying to get together with her for a couple years, but we never seemed to be in the same place at the same time. Finally, at Ponderosa, it worked out and I couldn't have been more pleasantly surprised. She is incredible! Kelly Madison... just let that name sink in for a minute. She is a 5 foot 9 inch, 34FF, natural, Amazon Queen. I have to admit that the blood was coursing through my veins, (well, one in particular), while I was shooting her. Un-freakin'-believable! Natural FF-cups! Speaking of huge natural tits, how about the chest on Eden 38DD? The face of an angel and a body built for sin! We actually shot this set in a house that was party central for Frank Sinatra and the Rat Pack in the '60's. This was Frank's study. If these walls could talk! We've got a couple of newbies here with Victoria Valentino and Natalie Ocean. If these girls are a sign of the future, then you can count Gent in. June Summers isn't new, but she hasn't been seen for a little while. I have to admit, I wasn't all that juiced to shoot her... until she walked through the door, that is. Look at the body on this honey! And "honey" is the key word here. She couldn't have been sweeter and easier to work with. Sometimes, I just love my job. Now for true smut, you can't get much better than Charlee Chase. She seems to be enjoying her photo shoot. She must be, I don't think she's that good of an actress. Great tits and tan lines. Christine Black rounds out this issue of busty, boffing babes. The tits just keep on cumming! Speaking of "cumming", the FoXXX is at it again. When I decided to add a column to Gent, I thought, I need a girl that "A" loves to fuck. "B", is accessible to the masses. And "C", loves to fuck. Before I even finished the thought, Amber jumped into my head. I've seen her in action many times, and she was the natural choice. When I say that she is accessible, I mean, if you ran into her, you could fuck her. She is the real deal. She will suck your dick and literally, bend over backwards to please you. And than, thank you for the opportunity! I'm considering sending her to Iraq, as either a moral booster for our troops, or as a secret weapon against the insurgents. She could teach them a thing or two about total freedom. The Devine Miss Devyn encounters two big-dicked regular guys and leaves them smoldering on the floor in Devine Intervention. "Room And Board" tells the sorted tale of young lust... with an older guy.

As you can see, as always, this issue is chock full 'o boobs!

TALE OF TWO TITTIES...

Dear Gent,

I just finished the Gina Lynn issue of Gent (November 2006), with the DVD. I've been a reader on and off for quite a few years. I tend to bounce around between all the different titty titles on the newsstand. But over the past few months, I've noticed a big difference in you guys. You've gotten real dirty. I love tits, but I love to see a busty girl getting fucked, even more. And now with the DVD, it's even better. Thanks.

Will Arnold, Spearfish, SD

Will,

We have decided that while we are going to have the hottest big-bust models, we will also be the raunchiest boob magazine in the world. I'm glad to see that we're making our point.

Anton

Dear Ms. FoXXX,

I just want to tell you, that you are one of the sexiest pieces of grade-A tail I have ever seen. I go to a lot of swinger events hear in the Midwest and I'll surly be looking for you. I can't wait to bend you over and slam my 10 inches up your tight ass-hole, while your huge cans smack you in the face. Once I have your hole sufficiently plumbed, I'll spin you around and shove my greasy meat down your throat depositing a big, thick load of Billy-batter! It's only a matter of time, before our paths cross.

Billy Corey, Hoxie, KS

Billy,

You sure know how to turn a girl's head. I'll be looking for you!

Amber

Dear Editor,

I've noticed that lately Gent has really gone much harder. I love the solo sets, but there's just something special about seeing a booby girl getting plowed. I love when they have a look of passion on their face. There is nothing I hate more than a chick with a dick in her mouth who's looking at the camera, with a smile. Those shots look so staged and fake that it's obvious that it's nothing more than a job for the girl. When they're looking like they're into it, you never know. I like to be a fly on the wall watching the girl getting fucked. And what's the deal with no cum shots? I'd love to see some cream dripping down the girl's tits.

William Newstead, Mt. Tabor, VE

William,

Gent is "The Raunciest Big-Tit Mag In The World". It says it right on the cover. We only shoot girls that love to fuck for the camera in our XXX layouts. A perfect exam-

ple of that is Sara Jay from the November 2006 issue. We shot all day and she was never without a cock in her mouth or pussy. She was great to shoot, because, she just couldn't get enough. Another one was Donna Doll our August 2006 covergirl. Hell, she's getting fucked right on the cover! Also in that issue is Jade Jadore. Jade is such a nympho that while I was shooting another girl, she was over in a corner fucking not one, but two guys. Unfortunately, I wasn't able to capture that one on film.

Unlike other magazines, where the model is looking into the camera with the old, "Hey, look at me, I'm sucking a dick!" look, we shoot models who love to get fucked. Trust me when I tell you, these girls are all here for the cock.

Anton

Dear Gent,

I'm in a rock band. We're not famous, but we play just about every weekend in clubs all around our area. Being famous doesn't have anything to do with getting pussy, because I'm banging a different broad every week.

We play at one club every couple months and there's always this one chick right in the front row. I think she's got a thing for the singer, but he's always so drugged up, he couldn't get it up if he wanted to.

Anyway, we call her "Tits", because her boobs are HUGE and nobody ever bothered to ask her name. Me, being the boob guy that I am, have always wanted to get her naked. I just wanted to see and play with those tits. I didn't necessarily want to fuck her; I just wanted to see her boobs.

A month ago we had a party after a show. I invited her, hoping to get a chance. I didn't waste any time and went up to her and started my rap. Things moved quickly, and before I knew it, we were out in my car. We made out for about 2 seconds and I pounced of the objects of my desire.

When I unhooked her bra, her monstrous mounds of tit-flesh poured out into my hands. I dove in headfirst and buried my face in her cleavage. I kissed, licked and sucked every bit of mammary I could.

She pushed me down to lie on the seat and freed my extremely engorged cock. Now it was her turn to dive in headfirst. She swallowed me whole until her tongue was swabbing my balls. This had been such a long time coming that I wasn't going to be able to hold out for very long. When I told her that I was going to blow a load, she pulled back and totally encased my dick in mountains of mushy flesh. Immediately, my cock started spewing buckets of cock-cream. I was so juiced up that I shot about 8 strong blasts into her deep cleavage.

She picked each tit up and sucked every gooey drop off while looking into my eyes. All that did was give me another fierce hard-on, which she then straddled and sat down on, facing me. Again, I buried me face in her major mams while she bounced herself to her own cum.

Now, at least once a week I make the hour drive to her house just to fuck her. I don't even like fucking her. In fact, I don't really even like her, but her incredible tits lure me like a moth to a flame. I can't resist or say "no", when she calls. Oh well... it's a dirty job, but someone has to fuck her!

Bill Wilson, Cleveland, OH

Bill,

Good man. Sometimes you just have to take one for the team. Good work. Could you give me her phone number?

Anton

Foxxx on the Run

SHE IS A TRUE "NO HOLES BARRED" GIRL WHO LIVES FOR SEX. ALL HER DIRTY LITTLE SECRETS ARE X-POSED FOR YOU RIGHT HERE, EACH MONTH.

The other day I received an e-mail from porn star Misty Haze of www.mistysxxxgirls.com. It seemed she had an idea for my column!

"I have every issue of Gent since your column started," she wrote, "and I have yet to see you do what I am doing in this clip!" I downloaded the file, and to my delight, there she was, a cute little thing bouncing her tight little asshole up and down on a fat cock! I watched the entire clip as she pulled off the guys cock and did a little ATM show, finishing with a big cum shot right down her throat. She looked up at the camera, swallowed the load in her mouth, and said, "let's see some of that!!!"

I was dripping wet from the display she had put on and immediately called my photographer and one of my stunt-cocks. I always try my best to keep my readers happy!

I was just finishing getting dressed as my photographer Rich showed up. My boy-toy was running late, so we decided to get some solo shots done before we got into the real fun. As I sat down on the chair, he started snapping photos, and I started describing to him what I wanted to do during the shoot. I noticed, while I was telling him about how I wanted to take a thick slab of man-meat into my tight little brown eye, that Rich's pants were noticeably tighter. I had never thought of him as anything other than a guy to take my pictures, but as I looked, it became obvious he was packing more than a zoom lense!

Rich moved in to get some close-ups, and as he leaned in I reached over and stroked his bulging crotch. He jumped back, nearly dropping the camera! Before he could argue, I had

his zipper down and was slurping away. Rich kept snapping pictures as I ran my tongue up and down his shaft and circled the mushroom head. I sucked and stroked him as he fucked my face. Quickly, his cock grew to a size that I needed deep inside me!

I stood up, bent over the chair and invited Rich to fill my sopping snatch. He eagerly came around behind me and crammed his cock deep inside my cunt with one smooth stroke. I screamed out with pleasure as he stretched my rubbery lips and filled me completely. I reached back and stroked my clit as he reached around and grabbed my erect nipples. He tugged and pulled on my hanging tits as he kept slamming away at my meat-folds.

I pulled off his cock and breathlessly said, "Why don't you sit down and relax a little, you've been working too hard." He reclined back on the chair, as I positioned myself over his member, facing him. I slid down slowly, feeling every one of his thick nine inches being engulfed by my slippery fuck-hole. I rode his pole with everything I had, bucking as he thrust up into my hungry cunt. I dropped my heavy hangers down to his face and he rubbed his cheeks between them and took the nipples between his teeth. I moaned with excitement and creamed all over his dick while he pinched and pulled on my rack.

My juices were running down between my legs. There was definitely enough of my own personal lube to get what I really wanted – that rock hard dick straight up my ass! I pulled up off his cock and eased back down, placing the mushroom head of his fuck-stick right at my

little brown hole. I slowly slid myself down, letting the muscles relax as my tight hole got used to being filled up by his thick pole. I felt my forbidden hole gradually open up as his snake slithered deep inside my back door. I bounced up and down as all the nerve endings in my little sphincter sent signals straight to my clit. I rubbed my nub as I rode his rod, screaming with delight as my ass was impaled.

I stuck a few fingers in my cunt and felt his cock through my pussy walls, feeling the throbbing from the other side with my fingertips. He was moaning with pleasure with every stroke, as he pummeled my asshole. I could feel his cock start to jump and twitch, and I knew he was just about to blow his load. Inspired by the clip I had watched earlier in the evening, I jumped up and gobbled his throbbing rod, just in time to catch the first shot of man juice in my mouth. Some of it spilled out from between my lips so I eagerly deep-throated him, so I wouldn't miss a drop.

My other guy showed up about a half hour later, ready to fuck. My ass readily took him for a ride as well, but you will have to check out Misty's site for that - I sent her the tape last week! Thanks for the inspiration sweetie - I had an ass-fucking great time! If anyone has any other ideas of things they'd like to see me do, please e-mail me at sweetiowafoxxx@aol.com - I'll be looking forward to hearing your fantasies!!!

Keep on cumming!

JADED DAWN SHOWS OFF FOR THE CROWD

The Nudes-A-Poppin' Show is over 30 years old. It takes place at the Ponderosa Sun Club, a family oriented nudist resort located in rural Roselawn, Indiana on 88 wooded acres.

Since this was our first time attending, I was very excited. I really did not know what to anticipate. My main objective was to scout for potential Gent Cover Girl Contest candidates. The registration started at 7:00 am. I am not a morning girl and forget the out of doors all together!!! Oh, did I forget to tell you, this is an outdoor event? In fact, I believe it was the hottest day of the summer. It was in July, during the countrywide heat wave. But in all honesty, what could be hotter than dozens of steamy naked chicks glistening with moistness.

During the registration, I watched as each of the girls filed in. I was expecting mass chaos with the number of dancers walking through the doors. But I must say, Scarlet, the owner of the Ponderosa, is extremely organized, methodical, and runs a very tight, smooth operation. Both Scarlet and her staff are professional, respectful and always accessible. It was an absolute pleasure being part of the event. For the Gent Covergirl Contest we wanted to keep the number of contestants small. There were so many qualified girls to choose from it was very difficult. This show has numerous contests that they must squeeze into one day, therefore, it was necessary for us to be very selective, so each girl could have ample time parading their assets. Thank God Anton was there to help me decide. We finally chose our five contestants.

Being that I represent Gent and I do have a reputation to uphold, I was all done up. I had the hair just so, perfect make-up that takes me hours to apply and wearing my usual skimpy attire with spiky heels. What the Hell was I thinking, heels on grass? And the make-up just melted down my face. The only smart thing I did that day was wear, or should I say, barely wear, any clothes. I learned my lesson. Sunglasses and a baseball hat were the attire for the actual contest. We booked time with each contestant for a photo shoot. Scarlet was very generous in letting us shoot on the grounds of the Ponderosa. We were assigned an incredible security man named Paul who took great care of us, filling all of our needs. Now you dirty boys and girls, get your minds out of the gutter. Paul works at a nudist resort; do you really think this was anything new to him? He is privy to hot sexy nude girls EVERYDAY. And besides the Ponderosa is a classy place that adheres to its philosophy and perspective on nudity. It is not a place for perverts. Even a nudist resort has rules and I quote rule number 3, "What if I accidentally get physically excited?

A public erection is not acceptable. 99% of men do not experience this problem. If you happen to be in that 1%, we suggest that you cover up with

a towel or take a discreet cold shower until it subsides.

The day of the show began with two hours of Rising Star performances. This category is for feature dancers with less than 2 years of experience as well as house dancers. This contest is an opportunity for these young starlets to perform in front of an unusually large crowd of excited supportive spectators.

Noon is the starting time for the big show. For the next five and a half hours the main stage runs non-stop. The only time there is not a model performing is when the stage has to be cleaned up from the water, ice cream, syrup, Champaign, beer, confetti and other props left after the feature dancer's performances. But don't think there is ever a break in the action. The hosts know how to keep everyones attention.

As always, Ron Jeremy was the host of the day. Former Bay Watch star, Traci Bingham co-hosted. Pornstar Janine Lindemulder had no problem exposing the heart shaped tattoos that covered her nipples while getting the crowd even more titillated. And finally, one of my favorite features and friend, the beautiful Adara Michaels wore a hot-pink jump suit that had specially designed holes to expose her massive boobs. www.hootershooters.com

The best part about Nudes-A-Poppin' is the incredible variety of girls. There is something here for everyone's taste. Whether you like big boobs, small boobs, perky boobs, natural boobs, implants, blondes, brunettes, redheads, tattoo's, no tattoo's, legs, butts…you name it, Nudes-A-Poppin' has it all.

Anton drove me through the security guards directly to the VIP trailer. I could barely get out of the car. I was swarmed with fans wanting pictures and autographs. Luckily Paul was there to keep the fans from getting too out of control. He told me whenever I had had enough he would have them disperse, so I could make it to the door of the trailer. As much as I appreciated his concern, I truly appreciate the enthusiasm of my fans. I never refuse a picture and always give each fan a big close booby hug and a kiss.

After cooling in the trailer for a few minutes, I made it out to the staging area. Oh My God! I thought I was at Madison Square Garden in NYC. I had never seen a crowd this big.

As I stood on a deck that served as a runway to the stage, the crowd was pressed against the fence wanting to greet me. Let me tell you, I felt like I walked on water. The crowd was amazing! Anton brought cases of the latest Gent magazine and Gent T-shirts. We hadn't anticipated such a large crowd, so I told those that did not get a Gent souvenir to e-mail me. I've received so many e-mails I am still mailing out Gent memorabilia.

At about 3:30 it was time for the Gent Covergirl Contest. I finally made it onto the stage.

ELEKTRA TAKES IN THE SUNSHINE

This is the ONLY time you will ever witness me looking like this, unless of course you catch me running errands around town. No make-up, except lipstick of course, a ponytail, sunglasses and a baseball hat. I was prepared for the blazing heat. The only advantage I had was that I sport silicone not saline filled boobies. I could just imagine the number of cc's that evaporated in each girl's saline implants!!!

I co-hosted with a very sexy man named, Eddie Love. Ok, we girls deserve a little eye candy too. I introduced our contestants. Eddie basically gave me an on-stage interview. We discussed the evolution of Gent, being the leader in big bust magazines, providing all of you with the fresh new talent of today, as well as the upcoming highlights of GENT appearances and releases.

Our contestants were Ashlee, our winner and covergirl, Elektra, Ruby, Jaded Dawn, and Staci Lyxxx. My incredible friend Nikki Jackson, was my assistant on stage. This girl is DEFINITELY made for the stage. The crowd went wild when she came out hurling T-shirts, as she pranced along the stage scantily clad in short-shorts and a Gent halter-top. http://www.nikkijackson.com

When I was done on stage I went along the fence to pose and sign for as many fans as I could reach.

The feature entertainers bring their best to the Ponderosa. The shows are always impressive which makes it very difficult for the judges to select a winner. The Entertainer of the Year went to Schevelle; a real dancer who truly entertaines.

Gent's Jaded Dawn also competed in the Rising Star category in an outrageous belly dancer costume with her albino python wrapped around her ample boobs.

Wild red-headed Tarryn started in black leather and finished her act by pouring hot wax all over her naked body.

Rachelle La'Ree was the gymnast of the show. She incorporated flips and cartwheels. I had been told that when she was off stage, as a warm up she had her legs pinned up behind her head offering the most perfect pussy shot. By 5:30 every dancer had danced, pranced, and performed. Everyone surrounded the stage, hoping to hear their number called.

And the winners are:

DEVINE INTERVENTION

WITH DEVYN DEVIVE

One of the best parts of my job as a porn star is getting to not only be on set with hot porn guys, but also regular, run-of-the-mill type guys. It was a hot day in Los Angeles, and I was visiting my photographer at his apartment. Eddie is a bit of a voyeur and had a surprise for me when I arrived. I entered his living room, turned studio, to find two handsome, obviously horny young men. I asked Eddie, "Who are these hotties, and why are they on my set?" You see, I was getting ready to shoot some solo stuff for my website. I didn't expect to have my pussy crammed with cock this particular afternoon. Eddie told me that he thought it would be better to have some hardcore action, and as he said it, I watched the bulge in his pants grow bigger and bigger. Now I'm a down girl, so I made the introductions, changed into a sexy baby pink corset, and began to make my acquaintances – Devyn style.

Immediately they stripped down and made a Devyn sandwich. I faced one and began to tongue kiss him, and then I turned to face the other to do the same thing. I already felt my pussy getting hot and wet. While I frenched one, the other slipped his hand down to the crack of my ass to feel my dripping wet pussy. They took turns fingering my slit, until they released my enormous tits from my corset. They each took one in their mouth and began sucking and slurping on my erect nipples. I glanced over at Eddie, only to see a huge smile on his face and an even huger bump in his shorts. I love being watched, so I decided to

really put on a show. I grabbed each of the cocks beside me and began stroking while my mouth salivated at the thought of having these cocks in my mouth. I began sucking on one, making it good and wet, and then sucked on the other while jacking off the first cock. I went back and forth and back and forth, like a ping-pong ball, taking both cocks in my mouth as if I had never had cock before.

Once I satisfied my craving for cock, I decided I needed to have my soaked pussy eaten. I love giving and receiving oral sex, and both boys were ready to comply. One plunged his tongue deep into me, tasting all of my juices. The sound of his slurps made my clit pulsate with the rhythm of his tongue. While he ate my pussy, I began to suck the other's cock. I mean, this is a three-way and nobody should be left out. Both guys tag-teamed my pussy until I couldn't take it any longer. I needed to fuck. Now, there are very few things hotter to me then getting fucked from behind while I have a cock in my mouth, so that's exactly what happened. My shy guy slid his hard cock into my tight pussy while I sucked hard on the black cock. I love having my ass slapped while I am being fucked. These two guys really understood the concept of "sharing." They quickly flipped me around so that my pussy was being pounded by a hard black cock.

Eddie loved it as his camera fired away. I screamed so loud and came so hard I thought my pussy was going to explode. Now it was my turn for cum.

I love watching guys stoke their cocks, so I instructed both guys to stand over me and beat off. They stroked and stroked, until without warning, hot spurts of stinky cum shot out covering my huge tits. Both guys came on my tits at once until they each looked like huge Cinnebons. I loved every creamy minute of it. With Eddie snapping pictures, I called it a wrap. I thanked both guys as they left, hopped in the shower, and then slid under the covers to take care of Eddie's throbbing problem.

GENT® BOOB TUBE

DOUBLE D DP PARTY

STARRING: Cheyne Collins, Daphne Rosen, Jada Fire, Kami Andrews, Nicki Hunter, Sascha and Trina Michaels

DIRECTED BY: Jordan Septo RUNNING TIME: 140 min.
AVAILABLE FROM: Venom

DDD-CUP: Smokin' Hot DD-CUP: Serves your cock well
D-CUP: Don't even bother

Do you love watching a great looking girl with an equally attractive set of big titties getting railed by two guys? If your answer is anything other than a "hell yeah" you may want to reconsider your sexuality. The entire female cast have awe-inspiring racks and possess an insatiable need to be filled with hard cock. A-fucking-men! What really makes this movie work is that nothing is held back; not their emotions, their lust or their love juices! Co-director Daphne takes us in and out of each scene and first she brings us the delightful Trina. Trina Michaels, a relative newbie to porn, with only about 16 months under her belt, is up first. Trina's big fake tits are on full display as she shrieks through her cock-stuffing scene. Trina is of the rare breed of exceptional porn whore who actually crave getting fucked by two guys at the same time. A lot of girls say they do, but look in Trina's eyes and you'll feel her passion for a solid double dicking.

21203

Kami Andrews hefts her fake titties into her scene as she demands some dick. Chris Charming and Cheyne Collins have the pleasure of double dicking this delectable piece of porn meat. These three keep up the heat as they move like a well-lubed machine together. A fat double facial brings the fun to a crashing end. Jada Fire opens up at both ends to accommodate Talon and Sascha. Jada must have an ass made out of iron because the fucking her asshole received would have broken a lesser woman. The guys tag team her asshole so much it's a miracle that it can ever close on it's own again. Daphne resurfaces for her own scene with Sascha and Joel Lawrence. There's a lot of the nasty trash talking and more as both guys use her asshole as their playground. The final scene has Daphne teaming up with Nicki Hunter and a dude, if there's just one guy where does the double penetration fit in? Aha, that's where Daphne fits the bill. With the aid of s trap-on Nicki gets her DP from Daphne and the guy. Nicki turns the tables on Daphne, and uses the same dildo to return the favor. Make the right decision and bring this flick home. - Mike Thrack - DDD-CUP: Smokin' Hot
